As you will see we have managed to make substantial donations to the school through monies raised through events in 2019 as well as utilising funds from previous years fundraising. Thank you to everyone who came along to the events, bought raffle tickets, donated prizes and home baking and to those who donated their time to make the events happen. Thank you all.

As school budgets continue to be squeezed it's important that we do what we can to raise monies to pay for those things that assist with the children's enjoyment of their school day. These are not always new laptops, smartphone apps and reading systems, they are often smaller items that can make a big difference so any and all money raised is greatly received and goes to fulfil requests made to us by the various teachers across the school.

The fundraising committee will be hosting more events in the coming year. I hope as many of you as possible will be able to participate. As always, any and all assistance is greatly appreciated.

Thank you again for all efforts.
